ABOUT INTEN

Enhance your space with inten©

This affordable range of workplace furniture is suited for both office and home use. Manufactured in a range of finishes with endless combinations in ten working days- flexibility and efficiency is the focus of this range. With three styles of finishes you can create a new working environment or compliment your existing work space.

Panel, pole and cluster leg desking.

- Easy to assemble and knock down. With modesty panels incorporated- these are most suitable for open plan office spaces where privacy is required.
- Workstations are more economical and easy to link together making them ideal for conference or call centres and meeting rooms.
 - 32mm self supporting tops are pre drilled to fit a wide range of legs and brackets.
- Accessories such as pedestals, suspension files and storage units easily link to the desk tops adding support and personalised functionality.
- Quality and durability are at the forefront of intense design.

Bench style beam systems allow for compact workspaces. The bench system can be set up for head on, along side or managerial workstations.

- Support beams facilitate the attachment of accessories while adding strength.
 - Sharing of joining legs assist in optimising space and reducing cost.
- A broad range of storage accessories cater for specific needs and include popular storage formats for level arch, A4 suspended rules and storage bins.
- All inten© products carry a 5 year warranty with quality and durability being at the forefront of this range's design.

FEATURES

- Desk tops and constructed with 32mm melamine and 2mm impact edging with tops pre drilled for steel threaded inserts and cable leads.
 - Steel work is phosphate treated and epoxy coated for durability and longevity.
 - Units can be delivered assembled or flat packed.
- Case goods are fitted with whalebone handles and unmastered top drawer locks, doweled and glued for durability.
 - Steel legs are supplied with adjustable levelling screws.
- Standard finishes are ready for delivery in ten working days with special variations and colours available (delivery date on request).
